## Actions from the last meeting

No actions outstanding from the last meeting

## Chairman's Introduction (Iain McLean)

Iain apologised for the mix up with this meeting. We had originally intended for it to be on 21 November before the Everton game, but several committee members could not attend, so we moved it to the following week before the West Ham, before it was pointed out to us that this game was not on telly!

## Treasurer's Report (Rod Cummins)

### Ticket allocations

These are the allocations for recent matches:

Newcastle United Away	Requested 2 and received 1 (100%)
Brentford Away	Requested 34 and received 2 (6%)
Arsenal Away	Requested 27 and received 8 (30%)
Chelsea Home	Requested 4 and received 4 (100%)
Swindon Town Away (FA Cup)	Requested 5 and waiting to hear

Overall, for the season to date – 84 tickets received out of 153 requested = 55%

### Membership currently

We currently have 85 members meaning we have had 6 new joiners since the last cut off date to report numbers to Manchester City.

### Christmas Draw

The branch sold £350 worth of tickets. Thanks to all who purchased tickets; this means we have received £175 to the branch as our commission)

## Social Events

**Action point:** The committee has agreed to meet up to discuss options for a social event, be it a Legends Night or City Quiz.

## Any Other Business

We have received a suggestion that future meetings should be held on non-match days so that those committed individuals who attend matches home and away can attend.

**Action point:** Daryn to set up a survey to send with the minutes to gauge members' interest in doing this.

## Date of Next Meeting

The next meeting will be on Sunday 21 November at 1.30pm before the Everton game.
